Biocat-15

HUMIC CORRECTOR IN LIQUID FORM

HOW TO APPLY:

- It should always be used diluted in water.
- Exceptionally it could be applied directly to the soil with a spraying machine and then followed by irrigation.
- We recommend to spread the amount used over various periods as detailed below.
- Flooding or spraying irrigation:**
Distribute in 4 lots.
- Drip or sprinkling irrigation:**
On the first application use approximately a fourth of the total and the rest to be spread over weekly periods.
- BIOCAT-15 can be mixed with mineral fertilizers, except acid reaction products.

EXPIRY DATE: 3 years from manufacturing date.
